

An independent guide to venues where you live, work, and travel • Know it Live

KNOWYOURVENUE.COM offers a unique and cost effective advertising opportunity. Visitors and locals seeking information about where to eat, drink, sleep, and park near a venue find our site via search engines and use our information to plan their evening. Venues offer information about restaurants, bars, and parking associated with the venue. At KnowYourVenue.com we introduce the companies outside the venue doors. By advertising on our site you have the ability to reach people who seek information online and people who attend concert, theater, and sporting events.

TRAFFIC

- KnowYourVenue.com traffic lets you reach your target market.
- Traffic numbers have averaged 25% growth each month.
- Traffic is expected to continue its fast growth upon the launch of the new site and start of an aggressive SEO plan.
